TSI DIRECTOR - MARK MALLON AND **ROBERTO BAGGIO**

national ranking in October of 1996 after inheriting a program ranked 150th nationally.

His youthful CAL team shocked the nation and UCLA coach, Sigi Schmid, by winning in LA, the first time in 35 home games the Bruins lost !

From 1996 - 1999 the Bears continue to be ranked among the nation's elite college soccer programs despite the minimal funding level for scholarships. In 1999 a failed student referendum known as "BEARS" Bridging Equity in Athletics and Recreational Sports resulted in the athletic departments budget shortage reaching crisis levels....amidst speculation of three men's sports (Baseball, Gymnastics, Soccer) being eliminated to achieve gender equity, Mark resigned to pursue his dream of founding **The Soccer Institute** while serving as the Director of Coaching and Player Development for the 2,800 member San Ramon Soccer Club.

Olympic Development Program ...CHAMPIONS

Mark coached the U17 Boys CYSA - North team to the FAR WEST REGIONAL CHAMPIONSHIP and coached the squad in the inaugural SNICKERS ODP NATIONAL CHAMPIONSHIP held in Phoenix, Arizona in 1999.

U15 BOYS - STATE CHAMPIONSHIP FINALIST (CT)

U12 BOYS - STATE CHAMPIONSHIP FINALIST (CA)

U11 BOYS - STATE QUARTER FINALIST (CA)

He coached the U12 San Ramon Knights to the State Championship match, and the SRSC Fever/Santos team to the final eight/quarterfinals and won league titles every season over rival Mustang Soccer Club with membership over 5,000 nearly doubling the neighboring SRSC.

Mark had the good fortune to train and develop some young players that have received college scholarships, played for youth national teams, professional teams in MLS, and a couple that are poised to become professionals after their Cal Soccer careers.

"It is a wonderful feeling to see players flourish that you have trained and mentored during the formative developmental period between 9 - 16 years of age ... when the core fundamentals are imprinted into their game." Mark Mallon
